

PRESS RELEASE

New accounting director at WTS Klient

The expert strengthens the largest business line of the advisory firm

Budapest, 11 February 2025 – With the merger of VGD Hungary into WTS Klient Business Advisory Ltd, Noémi Lénárt continues her career as accounting director from 1 January 2025, announced the WTS Klient Group, which employs nearly 370 expert and has a turnover of HUF 7 billion.

Noémi Lénárt holds qualifications as a chartered accountant, tax advisor and IFRS chartered accountant. Over the past 15 years, the accounting expert has gained extensive experience in both professional and management areas at a number of renowned international consulting firms. Her client portfolio includes a wide range of service providers and commercial clients with an international background, for whom Noémi has mainly provided accounting and tax compliance services.

She graduated from the Budapest Business University and the Hungarian Chamber of Auditors, and joined VGD in 2020, where she was in senior accounting manager position until the company's merger into WTS Klient.

In her new position, as accounting director, Noémi Lénárt's goal is to continue to support the further development of leading accounting digitization processes at WTS Klient which has more than 25 years of experience and one of the most recognised players in the Hungarian market, providing personalised, complex business advisory services.

About WTS Klient:

Established in 1998, WTS Klient Business Advisory Ltd. is one of Hungary's leading tax consulting and accounting firms. In cooperation with WTS Legal Hungary, it has an annual net turnover of nearly HUF 7 billion and 370 experts. Since 2024, the group's range of services cover all areas of business advisory, from financial outsourcing and HR services to payroll. WTS Klient is the exclusive Hungarian representative of WTS Global, a tax and financial advisory network present in more than 100 countries, enabling us to connect our clients with almost all major economic and financial centres worldwide.
