PRESS RELEASE

New tax partner at WTS Klient

With the expert's appointment, the advisory firm created a new position

Budapest, 6 February 2025 – **With the merger of VGD Hungary into WTS Klient Business Advisory Ltd, Viktor Szabó will continue his career as a tax partner from 1 January 2025, announced the WTS Klient Group, which employs nearly 370 experts and has a turnover of HUF 7 billion.**

The new expert, who is also a qualified value-added tax expert and chartered accountant, has more than 16 years of experience in tax advisory. Previously, he has gained extensive experience in the field of taxation in international consulting firms and has led several successful tax projects in various industries. His expertise and commitment contribute significantly to optimising his clients' tax strategies and ensuring tax compliance. He joined VGD Hungary in 2019, where he was involved in the business development of the firm, in addition to providing professional support to the tax and payroll business lines.

In his new position, Viktor Szabó aims to further strengthen WTS Klient's market position and support his clients in managing tax challenges with innovative, solution-oriented, digital answers developed by the company. He also will play an important role in further developing digital solutions of the tax team at WTS Klient, which has more than 25 years of experience and is one of leading players in the Hungarian market, providing personalised, complex business advisory services.

About WTS Klient:

Established in 1998, WTS Klient Business Advisory Ltd. is one of Hungary's leading tax consulting and accounting firms. In cooperation with WTS Legal Hungary, it has an annual net turnover of nearly HUF 7 billion and 370 experts. Since 2024, the group's range of services cover all areas of business advisory, from financial outsourcing and HR services to payroll. WTS Klient is the exclusive Hungarian representative of WTS Global, a tax and financial advisory network present in more than 100 countries, enabling us to connect our clients with almost all major economic and financial centres worldwide.
